MESSAGE TO BELIEVERS

Volume 1, Issue 3

Friday April 17, 2009

ALLAH SAYS:

“Serve Allah and Join not any partners with Him: and do good to parents, kinsfolk, orphans, those in need, neighbors who are near, neighbors who are strangers, the companion by your side, the way-farer (ye meet) and what your right hands possess: for Allah loveth not the arrogant the vainglorious;

Sura An-Nisaa v. 36

Narrated AbuBarzah Al-Aslami

The Prophet (peace be upon him) said:

“ O community of people, who believed by their tongue, and belief did not enter their hearts, do not back-bite Muslims, and do not search for their faults, for if anyone searches for their faults, Allah will search for the fault, and if Allah searches for the fault of anyone, He disgraces him in his house.”

MASJID AL MUMINEEN BEGANS ITS COMMUNITY DEVELOPMENT INIATIVE

Community life, is the cry of the khateeb at Jummah prayers. Lets all participate in bringing about a real Islamic community. One where Muslims come together to solve our problems, and come together to celebrate this wonderful deen of Islam. The call is for more Muslims to come to salat in Jummat . With the Masjid open for five salats seven days a week, we are here to serve as a place to come for the worship of Allah and meet and greet our community members. As more attend prayers we see more help from Allah.

This growing Community has seen many advancements lately. Hopefully our Mortgage will be paid off by June of this year. We need to purchase the

adjoining property to expand the parking and provide a green space. We will see a renovation and beautification of our building and grounds. We need investors to open a community market in the commercial building West of the Masjid.

Services provided by the Masjid be enhanced with the Share Center locating here. This Center will provide social services for the community. Offering referral services, counseling, food pantry, and other emergency services.

Our outreach to the neighborhood will commence with our participation in the Community Clean-up scheduled for April 25th and will be ongoing with a neighborhood iniative and Dawah Program.

Masjid Al Mumineen must be a model community representing Islam to the greater community, as it should be. There are many houses to buy or rent here to bring more Muslims to the area. The fact that we are in an enterprise zones affords many business advantages of locating near the Masjid.

With the help of Allah this community could be the an Islamic Model for Muslim Community life. Come join us in Making this a reality.

League of Muslim Merchants

Masjid Al Mumineen is located in a commercial district that supports a number of Muslim owned businesses. These business owners primarily live outside our community. Their resources often end up at the community where they reside or go to Masjids in another city where they are from.

We feel that there needs to be a sharing of revenue with

the community where these merchants earn their money. An association of merchants is being formed to sustain the Masjid. We are actively seeking membership for The League of Muslim Merchants. Visiting these business with information on the Masjid and inviting the owners and staff to attend the Masjid has been our strategy. We have met with both friendly reception and some

resistance. One Main problem is the owner does not respond to the materials that we leave. We have also been told that they donate where they live. We need to change this attitude so a viable Islamic institution can exist in the neighborhood were these merchants seek their livelihood. Call the Masjid today with your Pledge of support. 545-4252

PANCAKE BREAKFAST A BIG SUCCESS

On Saturday April 11, Masjid Al Mumineen held its first Pancake Breakfast. Though many local Muslims did not attend we consider this event a great success.

The food was exceptional with halal bacon and Sausage and pancakes. We had the good fortune of having guest from Chicago that raved about the event in

general, suggesting that this be a weekly function. We were attended by Men, Women and children that had a chance at camaraderie and fun. It has been decided that this function should be repeated once a month. The next Pancake Breakfast will be on Saturday May 9, 2009.

All are invited at \$5.00 per person.
